1. On 31 December 1951, the Office of Reparations placed with the SAG plant AEG Treptow a reparations order amounting to five million DM for measuring instruments of all kinds. The instruments are to be charged to the USSR Reparations Account but are to be delivered to Poland. Electrical measuring devices which are included in the contract will be used to equip armament factories in Upper Silesia, principally in Katowice (Q51/Y57). The contract must be fulfilled by 3 September 1952.
2. The AEG Treptow Board of Managers estimated that ninety percent of the total output of the plant will be used as reparations. The plant employs about 7,500 workers.
